

MILLER-KEYSTONE

BLOOD CENTER

MEDICATIONS CONTAINING ASPIRIN AND OTHER ANTI-PLATELET DRUGS

Ingestion of the following medications, which may contain aspirin or other anti-platelet drugs, within two (2) days of donation will preclude the use of a donor as a source of platelets for a recipient.

If you have taken any of the following medications, please contact the Blood Center at 800-223-6667 to determine your eligibility as a platelet donor.
